

Cable Railing Kits

Why Cable Railing?

Unobtrusive

- ✓ Views are not obstructed
- ✓ Decks, stairways, and interiors appear larger and more spacious

Versatile

- ✓ Use indoors or outdoors

Upscale appearance

- ✓ Clean lines
- ✓ Attractive
- ✓ Adds value to home

Durable

- ✓ Virtually maintenance free — no painting or staining, no glass cleaner
- ✓ Weather-resistant type 316 marine-grade stainless steel

Why RailFX Ca

RailFX hardware is designed specifically for use with cable railings — it has not been adapted from marine hardware. RailFX Cable Railing Kits are designed especially for the do-it-yourselfer.

Easy to install

- ✓ All kits come complete, ready to install
- ✓ No special tools needed for installation

Design flexibility

- ✓ Kits work with wood, composite sleeve, aluminum, or stainless steel posts
- ✓ Invisiware® fittings that hide inside the posts, or streamlined external fittings
- ✓ Standard lengths 5' to 60', trim to size
- ✓ For new or retrofit applications

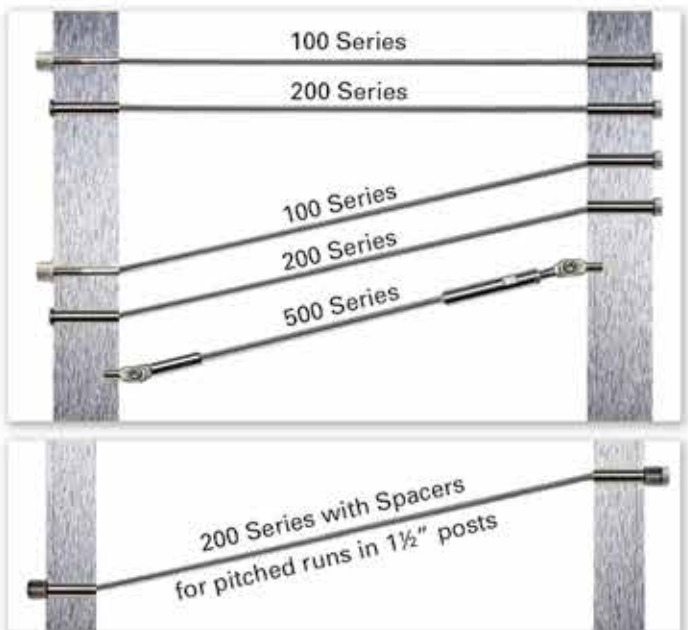

10-year warranty

Kit App

RailFX Cable Railing Kits are available in several combinations including stairs or angled runs, and runs through one or even
